

## Acknowledgements

The BioInitiative Working Group gratefully acknowledges the many independent scientists, researchers and experts who have labored, some for decades - many of whom are no longer with us - to bring this body of science into the public arena. There would be no BioInitiative without their perseverance and generous contributions of intellect and resources.

We deeply appreciate the Santa Barbara Foundation for serving as our fiscal agent. Thanks go to Jan Campbell, Senior Vice President of Philanthropic Services, Communications and Marketing, and to Cheri Savage, Assistant Treasurer of the Santa Barbara Foundation for making this relationship possible. In addition, Mr. Nick Munday gave us brilliant technical help in refining our graphic products.

Web designer Julie Faber of Mountain Studio has our gratitude for her artful guidance in the redesign and layout of the BioInitiative 2012 website. She is both professional and intuitive, helping us communicate complex ideas with precision and flair.

Personally, I am indebted to my husband Dr. Orrin Sage and our family for their encouragement and understanding during the long months of immersion and irregular hours this project demanded. Working with colleagues in time zones spanning Russia, Sweden, Canada, Austria, the Slovak Republic, Italy, Greece, and India makes a 24-hr workday seem normal. Finally, gratitude to Avery, Drake, Ford, Jenner, Luke, Solei, and all the children whose trusting faces remind us that we hold their future in our hands. (Cindy Sage).
